Dear Fernand, thanks for
your kind invitation.

I've not been well but hope
to get better.

I've sold work in New York
& people want my work in
Boston, so that occupies me.

I've given my American
art to Mrs Kachelhoffer
here who will sell it in
Pretoria. Then Linda Goodman
wants a show later.

Despite all this, when you
can be more specific about
what kind of my work would
go down in Los Angeles please
tell me: Erotica (I know OK
for San Francisco, or what?

In Santa Fé a gallery is
interested in my Folk concept.
Love to Cordine & children
Sincerely yours
Walter
